TO: Each Health Deputy

FROM: Patrick L. Ogawa, Director  
Alcohol and Drug Program Administration

SUBJECT: **FUNDING ADJUSTMENT FOR VARIOUS CALWORKS CONTRACTS**

This is to inform you that we plan to implement the adjustments and reallocations provision for our agreements with various CalWorks agencies using the delegated authority granted by approval of Board Agenda Synopsis #50, May 29, 2007. This provision allows the Director of Public Health or his authorized designee to adjust services and allocations up to 25 percent of the contract's budget.

The funding reduction is a result of reductions being implemented by the funding source, the Department of Public Social Services. I am recommending this funding adjustment as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agencies' current and proposed funding amounts

If you have any questions or need additional information, please let me know.

### RESIDENTIAL SERVICES (CW)

Residential services is a twenty-four (24) hour residential program where recovery services and/or specialized recovery services are made available to CalWORKs recipients who have drug and/or alcohol related problems. Participants are involved in no less than six (6) hours of planned treatment activities per day under the supervision of trained staff. This is a treatment modality in which no person is treated for drug and/or alcohol related problems by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs. Programs also provide outreach and orientation to prospective participants of the treatment and recovery program, including educational presentations on alcohol and drug services to CalWORKs applicants at welfare offices and other approved locations.

### OUTPATIENT COUNSELING SERVICES (CW)

Outpatient counseling services are drug and alcohol treatment and recovery services, which include crisis intervention, counseling, and participant referral services, provided to individuals and families who are affected by drug and/or alcohol related problems. Referral may be made to medical detoxification services, residential and recovery house services, methadone services, psychiatric services, or other appropriate treatment services. Participants receive counseling at least two (2) times per month and attend self-help support groups at least two (2) times per week. Programs also provide outreach and orientation to prospective participants, including conducting educational presentations on drug and alcohol treatment and recovery services to CalWORKs applicants at welfare offices and other approved locations.

### RESIDENTIAL MEDICAL DETOXIFICATION SERVICES (CW)

Residential medical detoxification services are services directed towards the care and treatment of persons suffering from the toxic effects of alcohol, narcotics and/or dangerous drugs. These services are conducted within a facility licensed and approved by the State of California, Department of Alcohol and Drug Programs (SDADP) in accordance with current Federal and State standards for such facility(ies). Programs also provide outreach and orientation to prospective participants of the treatment and recovery program, including educational presentations on alcohol and drug services to CalWORKs applicants at welfare offices and other approved locations.

### DAY CARE HABILITATIVE SERVICES (CW)

Day care habilitative services provide counseling and recovery services to persons who have drug and/or alcohol related problems. Their primary purpose is to provide a planned program in a social setting structured to maximize recovery and rehabilitation of participants. These programs provide nonresidential services that are more intensive than a visit but less extensive than a twenty-four (24) hour residential services. Program participants participate at least three (3) hours per day, three (3) times per week and return to their own residences at night. The program services are available a minimum of six hours per day, six days per week. The staff to participant

ratio is one (1) staff person for every fifteen (15) participants. Programs also provide outreach and orientation to prospective participants of the treatment and recovery program, including conducting educational presentations on alcohol and drug services to CalWORKs applicants at welfare offices and other approved locations.

#### OUTPATIENT DRUG COURT TREATMENT AND RECOVERY SERVICES (CW)

Outpatient drug court treatment and recovery services provide a comprehensive and integrated program of treatment and rehabilitation services, which include counseling, participant referral, crisis intervention, self-help groups, and urinalysis testing to persons who are referred to the program by County's Probation Department Pre-Trial Services Division and the Drug Court judge. Referral may be made to medical detoxification services, residential services, methadone services, psychiatric services, or other appropriate treatment services. Participants receive counseling at least eight (8) times within each thirty (30) day period. Programs also provide outreach and orientation to prospective participants of the treatment and recovery program, including educational presentations on alcohol and drug services to CalWORKs applicants at welfare offices and other approved locations.
